VCTA PRESIDENT'S REPORT

There is no doubt that the current social and economic climates are having a significant impact on sports across the whole breadth of society. Increases in the cost of living and mortgages as well as rising prices in the key components of our sport, ammunition, targets and club running expenses, are starting to have an impact on club memberships and participation numbers.

After several years of growth, membership numbers appear to be in a holding pattern. In 2022, membership of the VCTA was 3526. At the same time at the end of the financial year, the 2023 figures are at 3525 – almost identical!

VCTA was able to host its full array of State competitions over the last twelve months. The Skeet Carnival at Melbourne Gun Club and the ISSF, Ball Trap, School Students and, of course, the State DTL Carnival at the State Grounds-Echuca CTC. Additionally, VCTA hosted the Commonwealth titles at Echuca in July and this proved to be a very successful event with over 140 competitors in attendance.

The State Carnival was again delayed in its timing. As in 2021, the Carnival was postponed from November to December.

In 2021 this delay was caused by Covid. In 2022 it was caused by flooding! The Echuca complex was inundated with heavy rainfall over a two-to-three-day period that impacted both trench and DTL layouts. This was further exacerbated by the flooding of the Campaspe River and meant that flood waters impacted the State Grounds for a significant period. A lot of damage to infrastructure occurred, especially from an electrical perspective. Trench layout 3 was completely flooded out and it was over a week before the traps, which had been under water, could be rescued.

It was only through the diligence and hard work of several Echuca CTC members that the damage wasn't more severe. VCTA is most grateful to Nick Dean (Echuca President) and his team for the time and effort spent in trying to protect our assets and minimise the impact of the flooding.

VCTA is even more grateful to Rob Hunter for his contribution during this time. Not only did Rob strip and dry out all of the impacted machinery, he also had the misfortune to lose his van to fire while he was staying at the State Grounds.

On a positive note, both Echuca CTC and VCTA were able to gain access to State Government Flood Relief funding that enabled damaged equipment to be replaced and essential electrical inspections and repairs to be completed.

VCTA representative teams enjoyed significant success in National events over the past year. In Shoulder-to-Shoulder teams events, VCTA teams won the Men's ISSF, Open, Junior and Ladies teams event at Skeet, the Juniors and Ladies in the DTL and the Sporting Clays! In Postal Teams events we had success with the Ladies DTL team, the Open, Ladies and Veterans Skeet teams and the ISSF Open Trap and Open Skeet teams. And that's without mentioning the Victorian representatives on international teams where Australia held its own in several overseas events.

The VCTA Hall of Fame recipients in Skeet and Trap were again most worthy recipients. The Skeet Hall of Fame went to Glenn Clarke from the Frankston-Australia Clay Target Club. The Trap Hall of Fame went to Sam Clifford from the Noorat Gun Club.

The State Executive has seen a significant change over the last year. During this time, we have farewelled several members including Brendan Moroni, Mel Treller and Steve Trembath and Mal Dyson and Les Kadziela, who have both gone on to roles on the new ACTA Board. VCTA is most grateful for the time and contribution that these people have made to the sport and to the Association and wish them all the best in their future endeavours.

Recent additions to the Executive have included Scott MacKenzie, Zak Biggin, Mark Zielezna, Damien Hutchins and Rhys Hirth and we are excited by the skill sets that these people will bring to our sport. VCTA is most thankful for the contributions of all the Executive team and thank each of them for their time, efforts and participation in VCTA events and activities.

The VCTA continues to enjoy a healthy and growing relationship with our partners – Echuca Clay Target Club. The growing bond and trust between the two groups has led to significant developments at the State Grounds and we look forward to a partnership that continues to grow and bring positive outcomes to both local members at Echuca and the wider VCTA membership within the State.

The VCTA is also most grateful to the array of sponsors, both big and small, that continue to make such valuable contributions to our Association. From sponsorship of specific events, raffles and the shoot program booklet to the support of State Carnival each year; it is only through our sponsors' generosity that VCTA can provide events of this calibre.

Finally, the thanks of the VCTA go to the tireless efforts of our State Secretary, Jeff Bell, and his wife Anne, for the ongoing contributions to the running of the State Association and the professionalism and competency with which they carry out the administrative tasks of our sport. The VCTA Executive, and the membership in general, are most appreciative of the work that you both do.

The future of the VCTA looks most promising. With the Executive's philosophy of ensuring that it will do all it can to take the sport forward, then the members can be confident that the sport of clay target shooting will continue to thrive with both optimism and enthusiasm.

*Yours in shooting
Lynne Curtis
President*

Shower and wind resistant.

Lightweight polyester fabric, leather gun mount pad, vented rear yoke.

Large cargo pockets and rear empties pocket.

A great option to wearing a rain jacket under your summer vest.

Gun Socks, Sleeves

Full length socks, excellent for guns stored in safes providing added protection against knocks, scratches and bumps.

Allows for improved storage quantity.

2 piece sleeves for additional protection to break down case storage.

Fits most high rib & high comb guns. Up to 32" barrels.

Made of 100% knitted acrylic yarn.

Gun Case Covers

Regular and made to order case covers.

Additional transit protection for your valuable gun case.

Made from durable cordura fabric with built in padding and pockets.

Available with shoulder straps and backpack straps upon request.

Various colours, embroidered for a personalized custom look.

Some common sizes in stock.
