# ACTA National Skeet Carnival

March 5–11, 2023

For the first time in many years the running of the ACTA Skeet and Trap Nationals were both scheduled to be run consecutively in March. For Skeet shooters this meant that the move from the May timeframe almost ensured that better weather conditions would prevail.

Skeet shooters began arriving to camp at the National Ground early, making ready and availing themselves of the already open practice Skeet layouts, to hone their skills. Many shooters also brought families along for support and to enjoy the company of other camping families and the facilities available at the ground.

The first event started on Sunday March 5 in perfect weather conditions that prevailed all week, providing great opportunities for excellent shooting.

The Carnival was expertly managed by Tournament Director Lynne Curtis and Shoot Marshal Dave Coleman, while in the office Les Kadziela proved to be a master in the running of the MCMS shoot program.

By the end of the Nationals, many shooters receiving awards nominated the event as the best ever in their acknowledgements, and around the ground the atmosphere was one of consistent approval and accolade. The new traders area proved popular. As always, in review we may find some small ways of making the Carnival even better.

To our Sponsors, we say thank you for your commitment to the sport, we could not possibly manage to run events like this without your involvement. Thank you also to all competitors, for your support and co-operation, with your continued participation we hope the event grows stronger from year to year.
