# PRESIDENT'S REPORT 1

---

I am pleased to present my first President's report to the 2025-year AGM.

I gratefully acknowledge the support received from the Board throughout the year, and I would therefore like to thank the Board for their efforts and valuable contributions. It makes the role of President a lot more pleasant when working with such a committed team. Board service is the toughest volunteer role, and everyone has taken on their duties with dedication and seriousness. I am grateful to all that shared those qualities with SACTA.

The Board has worked very productively throughout the year and again this commitment and use of time by busy people is appreciated and acknowledged. My tenure as President is just starting and I am very aware of how much I and the Association are indebted to the generous and considered contributions by committee members. Keeping communication channels open between all parts of SACTA is a constant need and priority for our members to stay connected and with enthusiastic personnel, is well positioned to play a very important role as our sport moves forward in our changing world.

I would like to take the time to acknowledge the input over the past years from former President Andrew Hoare who has been instrumental in bringing the State Association up to speed with many frustrating and sometimes problematic critical tasks over his time.

We thank our Patron, Kelyvn Prescott, a great supporter of our sport who gives his time readily to attend and speak at our carnivals and raising the profile of our sport.

It has certainly been a busy year and we have all run very full programs. I commend you all for getting on with the roles we hold at each of our own clubs. We have however seen the unfortunate closure of the Ungarra Gun Club this year, which is disheartening to say the least. I hope the members continue in their sport at alternative grounds until an opportunity arises for another option.

Apart from our regular calendar events, new initiatives have demanded a lot from many of our members. but as always, our Carnivals for the year have all run well with many competitors (without naming all, for fear of missing important highlights), achieving their goals, aspirations and personal bests, at all levels of participation. All disciplines this past year had State Team representation at the National Championships and what a year it was for many of you.

2024 has certainly seen numerous highlights with great achievements from a number of competing members, both locally, Nationally and Internationally and I extend congratulations to them all for their hard work, dedication and spirited drive to succeed in their preferred disciplines.

# PRESIDENT'S REPORT 2

---

There will always be challenges moving forward with obligations to meet for a sporting Association like SACTA, but hopefully an exciting future is still there for us. We have made changes to our Board which is now only 6 members, which now assists SACTA to fall in line with our obligation for the ORS&R 40:40:20 grant initiative.

We are seeking interested persons to join our volunteer working Sub-Committees and I would like to invite all those interested persons to approach any one of our Executive to discuss opportunities.

SACTA Governance/Management sub-committee has been formed recently whereby Allan Vilcins and Bronte Evans, were invited and accepted positions for this role. I would like to acknowledge their combined vast knowledge and willingness to continue to contribute to SACTA. Both men have held positions as past Presidents (both State and National for Allan) and we believe this will give us a leading edge in this extremely complex area of Governance. Thank you for your expertise and wisdom.

On behalf of SACTA, we acknowledge everyone's highly appreciated contributions. Change helps individuals and organisations grow. With enthusiastic personnel, SACTA is well positioned as our sport moves forward in our changing world. I sincerely thank everyone for the opportunity to be President and your support and dedication to SACTA and I wish everyone the best for the coming year.
